ATV Ride (All Terrain Vehicle)

Experience the nature in a different way...!!! One can experience the real off-adventure, rugged and roughest terrain with ATVs (All Terrain Vehicle). The concept & passion for off-roading has picked up since last 5 years. Today, India is a place where more off-road heads are rolling and ATV will be the perfect cake for all those who love off-roading.

PAINT BALL

Paintball is a training game in which a battlefield scenario is simulated. The settings of each game may differ substantially depending on the location, number and profile of players, and the objectives. Whatever be the setting, the common element for all games is the need to strategize and plan, and implement effective practices. The game requires the players to eliminate opponents by hitting them with pellets containing paint (referred to as a "paintball"), usually shot from a carbon dioxide powered paintball gun (or marker).

ZIP LINE

A popular outdoor adventure activity designed to enable a user to be propelled by gravity to move from the top to the bottom of the inclined cable by holding on to, or attaching to the freely moving pulley suspended on the cable.

ROCK CLIMBING WALL

This is a sport in which participants climb up or across an artificial wall. The goal is to reach the summit of a formation or endpoint of a pre-defined route. In its most basic form, climbing a route involves using one's own hands and feet, with rope and safety equipments. Climbing is a mentally and physically demanding sport, one that often tests a climber's strength, endurance, ability and balance along with his or her mental control.

WATER ZORBING

Zorbing is a new-age recreational adventure sport where the rider gets into an inflatable, transparent ball called zorb and roll over water. Water zorbing is a good way to have a stress-free time to relax and rejuvenate.
